- Inhouse training is usual conducted with agencies live Pearson, Educational Initiaves etc.

Annual Report

The year 2020-2021, did not go well form the educational point of view. Due to covid-19, school remained closed and online class had to be done.

Online classes were conducted from class 3 to Class 12th. For students of class 1 and 2, only work sheets were sent and along with parents participation school activities were carried out.

Test programs were conducted online with MCQs and for higher classes open book test programs were conducted.

A time frame was fixed for open book test / exams, and on completion the child has to scan the answer sheets and upload the same within 20 minutes of completion of the time schedule.

For practical exam of classes 10th to 12th, the students were called in batches and the practicals were conducted, keeping the covid-19 protocol.

Exams were conducted for 6 monthly and final. Results were declared the 8th of March and the new session 2021-2022 began on the 15th of March.

No other activities were conducted due to covid-19 and lockdown.
